

Have you wondered....

Does smoking marijuana while pregnant harm the baby?

What about vaping...

Why didn't that woman just quit using drugs when she got pregnant?

...and opioids?

Learn the answers to these questions and more in
Substance Misuse in Maternal and Child Health Populations!

FCM 410/510, 2 credits, Fall 2024 (cross listed as CTS 510)

Tuesdays, 11-12:15 on Zoom

Available for BSM & CTS Credit
